

## World Autism Awareness Week- Global Khutbah 3 April 2020

Autism Mosque is a campaign to increase the awareness, acceptance and inclusion of Autistic persons within the Muslim community. United Nations figures show that around 15% of the population live with disabilities.

World Autism Awareness Week is being held on 30 March 2020 to 5 April 2020. The aim of this campaign is to get as many Mosques, ISOCs, Musallaas worldwide to deliver their Khutbah on Friday 3 April 2020 on Disabilities including Autism. A Khutbah has been prepared by a specialist team and it will be sent out to those signing up to the campaign. Mosques do not necessarily have to use the prepared Khutbah and can use their own as long as it is on disabilities.

This campaign is being shared virally on Social Media and WhatsApp.

This will also be the first time that the Ummah will have been given one united message on one important topic at one time on one day worldwide. This will In'sha' Allah be a stepping stone to further unity and collaboration in the Ummah.

**To take part in this campaign please ask your Mosque / ISOC/ Musallaas /
